Orientation: Clarify objectives and procedures for the new learning task; Activates prior knowledge; Connects to previous lessons.

Students will have read Civil Disobedience as required before this unit begins.

Discuss and share our personal experience of “Thoreauing” it by telling stories of Concord, hiking, journaling and reading.

Time

Presentation: Direct Instruction, Modeling,

Present a selection of Thoreau on over head and model how to annotate, decipher, and choose relevant words that illustrate the essence of Thoreau.

Show connection to current events today. Have class discussion.

Time

Highly-Structured Practice: *Teacher leads students step by step*
Students annotate Civil Disobedience using strategies modeled.

Guided Learning: *Teacher monitors and provides corrective feedback*
Teacher monitor and read, encourage and offer suggestions on student work.

Time

Independent Practice:
Students journal thoughts and reflections on reading and the world today.

Students collect at least 10 vocabulary words they discovered that they feel reflect the important concepts.

Time

Summary & Review: *Review Content and Language Objectives and Discuss Big Ideas*
Student take-away:
Students share their favorite take away from Civil Disobedience.

Time

Reflections: *Changes needed next time this lesson is taught; Follow up with class next lesson*
