Dear Parent Volunteer,

Thank you for taking the time to serve as a chaperone for your child's field trip to the Concord Museum. On arrival at the Museum the class usually gathers together for a brief introduction. The students then divide into smaller groups and proceed through a series of activities. The Museum educators greatly appreciate your help in engaging students within these small group settings.

We have found that parental involvement in helping students focus appropriately on the task at hand makes an enormous impact on the quality of their museum experience. For this reason we ask that parent volunteers do not bring siblings. We also ask that you turn off your cell phone for the duration of the program. If you need to leave emergency contact information please use the Museum number (978) 369-9763 and the name of the school you are with. A member of the Museum staff will contact you promptly if you receive any calls.

We appreciate your willingness to become actively involved with your child's visit to the Museum, and hope you will find the experience rewarding. Our educators look forward to working with you.

Sincerely,

The Concord Museum
